Additional Appointments:

- Chair, Department of Anthropology (2001-August 2005), University of Notre Dame
- Established and Directed the first Mother-Baby Behavioral Sleep Laboratory in the world, after which, at least five institutions globally established similar research facilities (1998 to present attracting over 10-40 thousand hits every month. .
- Appointed Irving Harris Visiting Professor, University of Illinois College of Nursing (Honored Lecturer) May 2016...
- Fellow, American Association For the Advancement of Science, since February 2008.
- (Ad Hoc) Expert Consultant. American Academy of Pediatrics. SIDS and Infant Sleep Position, Dr. John Kattwinkel, Chair. 2003-2004.
- Member, Global Strategy SIDS Task Force (Education Committee), 1994-97
- (Ad Hoc) Committee Indiana Perinatal Network (IPN) Produced: Safe Infant Sleep Brochure for State of Indiana
- Health Advisory Board, La Leche League International (now Advisor to La Leche League International.)

- Attachment Parenting International, Executive Committee
- Kids In The House, Infant Slep Expert, Los Angeles California
- Consulting Advisor for Pregnancy and Fitness Magazine, Child Development Section.
- Advisory Board Medical Anthropology Encyclopedia Yale University HARF
- Executive Committee Member Mendelson Center for the Study of Sport, Culture and Character, University of Notre Dame 2000-2003, now dissolved.
- Senior Researcher, Department of Neurology, University of California, Irvine School of Medicine 1984-1997
- Scientific Advisory Committee Member, Fourth International SIDS Meeting Washington D.C. 1994, International Advisory Board Member
- Seventh Annual Meeting of the European Society for the Prevention of Infant Deaths, Jerusalem, Israel June 1999
- Associate Editor, Human Nature, 1989-2006
- Associate Editor, Evolution, Medicine and Public Health 2012-2014
- Appointed Distinguished Visiting Scholar, Advanced Institute, University of Western Australia. Perth, Australia. Presented public university lectures on the topic of: The Role of Evolutionary Studies in Medicine (Feb 1-19, 2001).
- Academic Council, University of Notre Dame
- Sheedy Teaching Award Committee 2013, 2014

Areas of Interest and Expertise:

- Infant Sleep, Breast Feeding, Mother-Infant Bedsharing/Cosleeping, and Sudden Infant Death Syndrome (SIDS)
- Breastsleeping
- Evolution of Human Behavior (especially parenting and infant development)
- Evolutionary Medicine
- Primate Social Behavior
- Human Evolution

Education:

1975 Ph.D., Department of Anthropology, University of Oregon (Anthropology)
Dissertation: “Social Roles and Behaviors of Seventeen Captive Indian Langur Monkeys (*Presbytis entellus*)”

1970-72 M.A San Diego State University (Anthropology) Master’s Thesis:
“Primate Aggression: A Problem in Behavioral Systematics” Phi Beta Kappa

1966-70 Associated Bachelors Degree, University of California, Berkeley
(Anthropology)

Awards and Honors:

2023 (April) Frans Boas Award: The Human Biology Association’s distinguished career achievement award to honor members of the Association for exemplary contributions to human biology in science, scholarship, and other professional services.

Presidential Award, University of Notre Dame, 2019 “for exceptional contributions to research and teaching the University Notre Dame over an extended period of time “

Honored Lecturer Norwegian SIDS Society Oslo, Norway, November 4, 1995
Celebrating 10th Anniversary (1995)

Distinguished Presenter Award Washington D.C. Presented by District of Columbia Child Fatality Review Committee. October 2, 2003

2016 Lifetime Media Achievement Award (Inaugural Award Winner) for exceptional contributions to the press representing research on breastsleeping, SIDS, mothers and infant cosleeping. Presented by University of Notre Dame Media and Public Relations Staff..

2008 Elected Fellow, American Association for the Advancement of Science “for outstanding contributions to the scientific fields of SIDS, mother-infant cosleeping and breastfeeding”

Healthy Children Faculty Award *for significant contributions to the understanding of mother baby sleep.* Presented by Executive Director, Dr, Karin Caldwell, Healthy Children Project January 16, 2006 Orlando, Florida.

2007 International Research Award Lamaze International . Presented by Lamaze International to Professor James J. McKenna, honoring “critical and excellent work in mother-infant co-sleeping and breastfeeding.” Presented Phoenix, Arizona, September 8, 2007 at Lamaze International Meetings.

1990 Shannon Award: National Institutes of Health, with Dr. Sarah Mosko (\$100,000) (for innovative research on benefits of bedsharing with breastfeeding infants (1993).

2008 American Anthropological Association Media Award (One of Three Highest Honors Given By American Anthropological Association) “in recognition of outstanding contributions to Anthropology through successful communication of anthropology to the general public through the media.”

2008 Salk Insitute, Invited Member Center For the Advancement, Research and Training In Anthropolgeny. University of California, San Diego, Department of Biological Sciences and the Salk Institute.

*2015 Irving Harris Visiting Professor (Fellow) University of Illinois College of Nursing, Spring 2015. Distinguished Lecturer and Visitor over two day period.

*2015 Invited Graduation Speaker, San Diego State University, Class of 2015, College of Arts and Letters, Undergraduate and Graduate Degrees in Anthropology, Department of Anthropology, May 18, 2015.

Moira Whitehead Memorial Distinguished Lecturer. Pediatric Grand Rounds. Pittsburgh Children's Hospital. "SIDS, Breast Feeding and Co-sleeping". October 20, 2004

Distinguished Lecturer, World Mental Health Association. University of Melbourne, Australia. January 14th Melbourne, Australia. Lecture: "Controlled crying: Social Ideology Masquerading As Science" (2004)

2006 University of Notre Dame Senior Class Fellow Award, presented by the University of Notre Dame graduating class of 2006 to Professor McKenna "an accolade traditionally given to a member of the Notre Dame community who has had a significant positive impact on the graduating class". May 1, 2006

Phi Beta Kappa (San Diego State University Chapter

Invited six times, to speak at "Junior Parents Weekend" College of Arts and Letters, a singular honor bestowed by the Junior class on a faculty member.

Society of Medical Anthropology, 2012, Invited Presidential Candidate, 2012, (one of two).

2008 Voted "Inaugural Lecturer" for the first "Last Lecture Series", by the University of Notre Dame Student Body. Nov 12

**2008 Sheedy Award For Excellence in Teaching, College Arts and Letters. Highest single honor for teaching given by University of Notre Dame, College of Arts and Letters

2008 Edmund P. Joyce C.S.C. Award for Excellence in Undergraduate Teaching University of Notre Dame.

Kaneb Award (Excellence in teaching) College of Arts and Letters. University of Notre Dame (2006)

Elected: Executive Committee Member-At-Large: Biological Anthropology Section, American Anthropology Association (2004-2006)

Kaneb Faculty Teaching Fellow Appointment, University of Notre
Dame 2004-2005. Awarded Edmund P. Joyce CSC (Endowed) Chair
in Anthropology (2001)

Thomas Madden First Year Students Teaching Award, University of

Notre Dame (2000) Kaneb Award for Distinguished Teaching, Arts and
Letters, University of Notre Dame (2000)

Inaugural Invited Guest and Lecturer, in celebration of the opening of the
University of Durham, England, Parent-Infant Sleep Laboratory (Stockton
Campus). Laboratory Opening. April 15, 2000, Co sleeping, Breast Feeding and
SIDS: It's Only Biology.

Elected Executive Committee, Society for Medical Anthropology (1994-1997)

Endowed Chair, Pomona College: Edwin and Margaret Hahn Chair of the Social
Sciences (1995)

Elected as Member-at-Large, Executive Committee, Central Division, American
Anthropological Association 1991-1993

**Pomona College Wig Award for
Distinguished Teaching 1980, 1984, 1988, 1992
(each time eligible)

William Lauffer Distinguished Visiting Professor of Psychiatry and Lecturer,
Bradley Hospital at Brown University (1990)

Luther Cressman Award, University of Oregon, Department of Anthropology (Best
Graduate Student Paper, 1975)

Washington, D.C., Student Congressional Intern Fellow, United States House of
Representatives (summer) 1970

June, 1966. Mt Diablo High School Senior Award for: 'Sportsmanship' Presented
by a committee of teachers, coaches, and students (from the junior class) in
Concord, California, June 1966. One of ten 'cherished' "Senior Awards" given to
ten individuals from a class of 366 graduating Seniors

**Grants, Gifts, and Teaching Fellowships: Career total Research Grants:
7,131,000 (Pi and Co-Pi Status).**

- 2016 25,000 Gift gratefully received from a Notre Dame family for on-going research and intellectual activities emerging from the Mother-Baby Behavioral Sleep Laboratory with (50, 000 already received on succeeding years.
- 2015 25,000 Gift gratefully received from a Notre Dame family for on-going research and intellectual activities emerging from the Mother-Baby Behavioral Sleep Laboratory with (50, 000 already received on succeeding years
- 2014 25,000 Gift gratefully received from a Notre Dame family for on-going research and intellectual activities emerging from the Mother-Baby Behavioral Sleep Laboratory with (50, 000 already received on succeeding years
- 2007 Faculty Research Project Grant (\$10,000): Hormonal Profiles of Co-sleeping Mothers, Fathers and Infants in Two Cultural Settings. (With Lee Gettler). University of Notre Dame Office of Research.
- 2007 Graduate School Office of Research: Hormonal Profiles of Co-sleeping Mothers, Fathers and Infants in Two Cultural Settings. (\$30,000).

2007 Institute For Scholarship In The Liberal Arts. University of Notre Dame (\$15,000): Hormonal Profiles of Co-sleeping Mothers, Fathers and Infants In Two Cultural Settings. (With Lee Gettler)

**2001-05 Co-PI R01 Research grant, National Institutes of Child Health and Human Development “Predicting and Preventing Neglect in Teen Mothers” University of Notre Dame (PI: Dr. John Borkowski) (multi-site study, 5 year, 6, 000,000)

**1995-97 Chair, Public Events Committee, Pomona College,

Teaching Positions and Rank Trajectory

2019-2024 (Endowed Chair , half time (full benefits), Dean's Executive Professor of Anthropology. Santa Clara University

2000-2019 Edmond P Joyce C.S.C. Chaired Professor (Endowed) in Anthropology, University of Notre Dame

1997-2000 Professor of Anthropology, University of Notre Dame concurrent with:

1990-1997 Adjunct Professor, Department of Pediatrics and Neurology University of California, Irvine School of Medicine

1996-97 Hahn Endowed Chair of the Social Sciences, Pomona College 1990-96 Professor of Anthropology, Pomona College

1981-1990 Associate Professor of Anthropology, Pomona College 1977-1981 Assistant Professor of Anthropology, Pomona College

1975-77 Visiting Assistant Professor Department of Anthropology, University of California, Berkeley

Research Activities: (H-Factor 41)

1998- Opened first Mother Baby Behavioral Sleep Laboratory (in the world.) Mother-infant bedsharing research data collected on the physiological and behavioral differences between cosleeping and solitary sleeping human mothers and infants; ethno-history of family attitudes toward childhood sleep, and sleep behavior during the night. SIDS risk factors, breastfeeding behavior, sleeping arrangements in evolutionary and cultural perspective.

1984-97 Departments of Neurology, Child Psychiatry, and Human Behavior, University of California, Irvine Medical Center, Sleep Disorders Laboratory. Project: Breathing and Sleep Patterns of Co-Sleeping Human Mother-Infant Pairs (co-researcher Dr. Sarah Mosko, Ph.D.) R01 Research Grant

1983 Human and Nonhuman Primate Development: The Effects of Supplemental

and Surrogate Care (Haynes Foundation Grant and Project)

1981 “Sociobiology and Economics: Can We Predict the Fate of Genes and Dollars by Using the Same Models?” Summer research funded by the Irvine Foundation Grant

1979-80 Infant development and adaptive significance of infant sharing (alloparenting) among captive langurs, San Diego Wild Animal Park, Escondido, California

1975-77 Co-Researcher with Professor P. Dolhinow on the effect of temporary mother-loss among langur monkeys (*P. entellus*) at the Primate Behavior Station, U.C. Berkeley

1975 Sex differences among juvenile Indian langur monkeys, U.C. Berkeley

Animal Behavior Station 1974-75 Ph.D. research (10 months) Hanuman langurs (*P. entellus*) San Diego Zoological Garden.

1970-72 Studies of play and aggressive behavior among Spider monkeys, Douc langurs, and Barbary apes at the San Diego Zoo.

1969 Social behavior of crab-eating macaques at the U.C. Berkeley Primate Station (under the direction of Dr. Phyllis Dolhinow).
